

RECORD REVIEW
(Live-Scan)

California Penal Code Sections 11120 through 11127 afford persons an opportunity to obtain a copy of their record, if any, contained in the files of the California Bureau of Criminal Identification and Information and refute any erroneous or inaccurate information contained therein.

You may use the information you receive to answer questions regarding past criminal history, or to complete an application or questionnaire. However, this process is not to be used to obtain a copy of your record to furnish to another person or agency for immigration, visa, employment, licensing, or certification purposes (refer to California Penal Code Section 11125).
